Post-it® Notes

General Description

The easy choice for your everyday communication needs.

Take down all your messages with the classic Post-it® Notes and stick them around. They are 100%PEFC certified products made of high grade 100% PEFC paper, coated on the back side with 3M's unique repositionable adhesive. Available in a large variety of sizes, they are designed to stick wherever desired and easily lift cleanly off of most surfaces.

ENVIRONMENTAL CHARACTERISTICS		
Using papers made from 100% PEFC certified pulp sources	This selection helps contribute to the protection of the environment, namely does not impact the old growth forest by using well managed planted woods	Post-it® Notes fulfil customers' environmental expectations by our long history of continuous environmental improvements to minimize the impact of our manufacturing processes and products on the global environment
Post-It® Notes manufactured in an ISO14001 certified factory with on-going pollution prevention actions and programs	In-process and ultimate paper wastes collected and managed through dedicated waste stream recycling	Manufacturing paper waste shipped to a waste paper collecting company for further recycling
	3M has a strong environmental management system in place according to ISO 14001 standards and regularly checked by notified body since 1996	Pollution risk occurrences minimized at all stages of the manufacturing process as required by ISO14001 principles and practices.
Post-It® Notes can be recycled	Notes can be treated like any other office waste paper (please refer to your local waste management and sorting instructions.)	Notes can be disposed in paper office waste bins, therefore go through the normal paper recycling waste stream

Applications

SOSD Laboratory

Post-it® Notes
Issue date [Publish Date]

Post-it® products are designed for indoor use. Post-it® products can be used in cold conditions to sub-zero temperatures, if applied at room temperature. They can be used in conditions as high as 48°C, but may fail in high shear applications at elevated temperatures. Caution: Cleaning and conditioning products may affect adhesion
Colors may bleed when wet Test before using

Certifications

Post-it® Notes are PEFC Certified

3M PEFC Chain of Custody certification number for EMEA is **100% PEFC CH18/0914**, whilst the logo license number used on-pack is **PEFC-15-31-0134**

(previously 10-31-1996 for finished goods manufactured or converted in Europe / 29-31-22 for finished goods coming from our USA factory)

Shelf life

The minimum shelf life of Post-it® Notes sold by 3M Office Supplies Division is two years from the date of manufacture.

To guarantee Shelf life, it is recommended that all Post-it® Notes be stored at optimum conditions (40-60% relative humidity and 15°C-26°C) when warehoused or on retail shelves.

MADE IN Information

Due to weight of paper in the product, all Post-it® Notes carry the mention “Made in USA with globally sourced materials”, even when converted in Europe.

Information for Circular Economy

Post-it® Notes are Recyclable.

In any case, please refer to your local waste management and sorting instructions.

All express or implied product claims are substantiated and approved for Europe use only. If you intend to use any of the product features listed in any copy accompanying the product for any geographic location outside of Europe, please consult with your local legal counsel.

IMPORTANT NOTICE: All statements, technical information and recommendations contained herein are based on tests 3M believes to be reliable. However, many factors beyond the control of 3M can affect the use and performance of 3M products in a particular application, including materials to be finished with the 3M product, the preparation of those materials, and the conditions under which the product is used. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether the product is fit for the particular application. Always read and follow instructions for use and wear appropriate protection for eyes, face, hands, and body.
